

# Glen Alpine Downtown Park

**Your help is needed to complete the funding.**

- Project Cost: \$240,000
- In Hand: \$125K (State), \$55K (Glen Alpine), \$20K (BRTA), \$5K (community)
- **Need: \$35,000**

In Glen Alpine, we are creating a new gathering space at Bridge and Linville Streets — the western terminus of the Burke River Trail. This space will feature restrooms, picnic shelter, parking, and an open green for concerts, a farmer's market, family reunions, and more!

**We need your support to bring this park to life!** Grading is almost complete, the restrooms are taking shape, and now it's time to raise the final funds for the picnic shelter. With your help, we can complete this welcoming space and give Glen Alpine a downtown destination to be proud of. Every donation, big or small, helps bridge the gap — and brings us one step closer to something lasting. Donate today!

Together, we're building more than a park — we're building community.

**Donate today and build something bigger than a park.**

- \_\_ Legacy \$5,000+
- \_\_ Visionary \$1,000+
- \_\_ Believer \$500+
- \_\_ Advocate \$100+
